(e) Moneys in the Trust Fund shall be expended only as follows:

Upon certification of the expenses and delivery of the certification to the State Treasurer, the Treasurer shall pay the expenses directly from the Capital Litigation Trust Fund if there are sufficient moneys in the Trust Fund to pay the expenses.

(5) To provide financial support through the Attorney General pursuant to the Attorney General Act for the several county State's Attorneys outside of Cook County, but shall not be used to increase personnel for the Attorney General's Office, except when the Attorney General is ordered by the presiding judge of the Criminal Division of the Circuit Court of Cook County to prosecute or supervise the prosecution of Cook County cases.

(7) To provide financial support to the State Appellate Defender pursuant to the State Appellate Defender Act.

Moneys expended from the Trust Fund shall be in addition to county funding for Public Defenders and State's Attorneys, and shall not be used to supplant or reduce ordinary and customary county funding.

(f) Moneys in the Trust Fund shall be appropriated to the State Appellate Defender, the State's Attorneys Appellate Prosecutor, the Attorney General, and the State Treasurer. The State Appellate Defender shall receive an appropriation from the Trust Fund to enable it to provide assistance to appointed

defense counsel throughout the State and to Public Defenders in counties other than Cook. The State's Attorneys Appellate Prosecutor and the Attorney General shall receive appropriations from the Trust Fund to enable them to provide assistance to State's Attorneys in counties other than Cook County and when the Attorney General is ordered by the presiding judge of the Criminal Division of the Circuit Court of Cook County to prosecute or supervise the prosecution of Cook County cases. Moneys shall be appropriated to the State Treasurer to enable the Treasurer (i) to make grants to Cook County, (ii) to pay the expenses of Public Defenders and State's Attorneys in counties other than Cook County, (iii) to pay the expenses and compensation of appointed defense counsel in counties other than Cook County, and (iv) to pay the costs of administering the Trust Fund. (1) For each State fiscal year, the State's Attorney and Public Defender must each make a separate application to the State Treasurer for capital litigation grants.

(2) The State Treasurer shall establish rules and procedures for grant applications. The rules shall require the Cook County Treasurer as the grant recipient to report on a periodic basis to the State Treasurer how much of the grant has been expended, how much of the grant is remaining, and the purposes for which the grant has been used. The rules may also require the Cook County Treasurer to certify on a periodic basis that expenditures of the funds have been made for expenses that are reasonable, necessary, and appropriate for payment from the Trust Fund.

(3) The State Treasurer shall make the grants to the Cook County Treasurer as soon as possible after the beginning of the State fiscal year.

(4) The State's Attorney or Public Defender may apply for supplemental grants during the fiscal year.

(5) Grant moneys shall be paid to the Cook County Treasurer in block grants and held in separate accounts for the State's Attorney, the Public Defender, and court appointed defense counsel other than the Cook County Public Defender, respectively, for the designated fiscal year, and are not subject to county appropriation.

(6) Expenditure of grant moneys under this subsection (g) is subject to audit by the Auditor General.

(7) The Cook County Treasurer shall immediately make payment from the appropriate separate account in the county treasury for capital litigation expenses to the State's Attorney, Public Defender, or court appointed defense counsel other than the Public Defender, as the case may be, upon order of the State's Attorney, Public Defender or the court, respectively.

(h) If a defendant in a capital case in Cook County is represented by court appointed counsel other than the Cook County Public Defender, the appointed counsel shall petition the court for an order directing the Cook County Treasurer to pay the court appointed counsel's reasonable and necessary compensation and capital litigation expenses from grant moneys provided from the Trust Fund. These petitions shall be considered in camera. Orders denying petitions for compensation or expenses are final. Counsel may not petition for expenses that may have been provided or compensated by the State Appellate Defender under item (c)(5) of Section 10 of the State Appellate Defender Act.

(i) In counties other than Cook County, and when the Attorney General is ordered by the presiding judge of the Criminal Division of the Circuit Court of Cook County to prosecute or supervise the prosecution of Cook County cases, and excluding capital litigation expenses or services that may have been provided by the State Appellate Defender under item (c)(5) of Section 10 of the State Appellate Defender Act:

(1) Upon certification by the circuit court, on a form created by the State Treasurer, that all or a portion of the expenses are reasonable, necessary, and appropriate for payment from the Trust Fund and the court's delivery of the certification to the Treasurer, the Treasurer shall pay the certified expenses of Public Defenders from the money appropriated to the Treasurer for capital litigation expenses of Public Defenders in any county other than Cook County, if there are sufficient moneys in the Trust Fund to pay the expenses.

(2) If a defendant in a capital case is represented by court appointed counsel other than the Public Defender, the appointed counsel shall petition the court to certify compensation and capital litigation expenses including, but not limited to, investigatory and other assistance, expert, forensic, and other witnesses, and mitigation specialists as reasonable, necessary, and appropriate for payment from the Trust Fund. Upon certification on a form created by the State Treasurer of all or a portion of the compensation and expenses certified as reasonable, necessary, and appropriate for payment from the Trust Fund and the court's delivery of the certification to the Treasurer, the State Treasurer shall pay the

certified compensation and expenses from the money appropriated to the Treasurer for that purpose, if there are sufficient moneys in the Trust Fund to make those payments.

(3) A petition for capital litigation expenses under this subsection shall be considered in camera. Orders denying petitions for compensation or expenses are final.

(j) If the Trust Fund is discontinued or dissolved by an Act of the General Assembly or by operation of law, any balance remaining in the Trust Fund shall be returned to the General Revenue Fund after deduction of administrative costs, any other provision of this Act to the contrary notwithstanding. AMENDMENT NO. 1

AMENDMENT NO. 1. Amend House Bill 954 by replacing everything after the enacting clause with the following:

"Section 5. The Open Meetings Act is amended by changing Section 2 as follows:

(5 ILCS 120/2) (from Ch. 102, par. 42)

Sec. 2. Open meetings. (a) Openness required. All meetings of public bodies shall be open to the public unless excepted in subsection (c) and closed in accordance with Section 2a.

(b) Construction of exceptions. The exceptions contained in subsection (c) are in derogation of the requirement that public bodies meet in the open, and therefore, the exceptions are to be strictly construed, extending only to subjects clearly within their scope. The exceptions authorize but do not require the holding of a closed meeting to discuss a subject included within an enumerated exception.

(c) Exceptions. A public body may hold closed meetings to consider the following subjects:

(1) The appointment, employment, compensation, discipline, performance, or dismissal of specific employees of the public body, including hearing testimony on a complaint lodged against an employee

to determine its validity.

(2) Collective negotiating matters between the public body and its employees or their representatives, or deliberations concerning salary schedules for one or more classes of employees.

(3) The selection of a person to fill a public office, as defined in this Act, including a vacancy in a public office, when the public body is given power to appoint under law or ordinance, or the discipline, performance or removal of the occupant of a public office, when the public body is given power to remove the occupant under law or ordinance.

(4) Evidence or testimony presented in open hearing, or in closed hearing where specifically authorized by law, to a quasi-adjudicative body, as defined in this Act, provided that the body prepares and makes available for public inspection a written decision setting forth its determinative reasoning.

(5) The purchase or lease of real property for the use of the public body, including meetings held for the purpose of discussing whether a particular parcel should be acquired.

(6) The setting of a price for sale or lease of property owned by the public body.

(7) The sale or purchase of securities, investments, or investment contracts.

(8) Security procedures and the use of personnel and equipment to respond to an actual, a threatened, or a reasonably potential danger to the safety of employees, students, staff, the public, or public property.

(9) Student disciplinary cases.

(10) The placement of individual students in special education programs and other matters relating to individual students.

(11) Litigation, when an action against, affecting or on behalf of the particular public body has been filed and is pending before a court or administrative tribunal, or when the public body finds that an action is probable or imminent, in which case the basis for the finding shall be recorded and entered into the minutes of the closed meeting.

(12) The establishment of reserves or settlement of claims as provided in the Local Governmental and Governmental Employees Tort Immunity Act, if otherwise the disposition of a claim or potential claim might be prejudiced, or the review or discussion of claims, loss or risk management information, records, data, advice or communications from or with respect to any insurer of the public body or any intergovernmental risk management association or self insurance pool of which the public body is a member.

(13) Conciliation of complaints of discrimination in the sale or rental of housing, when closed meetings are authorized by the law or ordinance prescribing fair housing practices and creating a commission or administrative agency for their enforcement.

(14) Informant sources, the hiring or assignment of undercover personnel or equipment, or ongoing, prior or future criminal investigations, when discussed by a public body with criminal investigatory responsibilities.

(15) Professional ethics or performance when considered by an advisory body appointed to advise a licensing or regulatory agency on matters germane to the advisory body's field of competence.

(16) Self evaluation, practices and procedures or professional ethics, when meeting with a representative of a statewide association of which the public body is a member.

(17) The recruitment, credentialing, discipline or formal peer review of physicians or other health care professionals for a hospital, or other institution providing medical care, that is operated by the public body.

(18) Deliberations for decisions of the Prisoner Review Board.

(19) Review or discussion of applications received under the Experimental Organ Transplantation Procedures Act.

(20) The classification and discussion of matters classified as confidential or continued confidential by the State Employees Suggestion Award Board.

(21) Discussion of minutes of meetings lawfully closed under this Act, whether for purposes of approval by the body of the minutes or semi-annual review of the minutes as mandated by Section 2.06.

(22) Deliberations for decisions of the State Emergency Medical Services Disciplinary Review Board.

(23) The operation by a municipality of a municipal utility or the operation of a municipal power agency or municipal natural gas agency when the discussion involves (i) contracts relating to the purchase, sale, or delivery of electricity or natural gas or (ii) the results or conclusions of load forecast studies.

(d) Definitions. For purposes of this Section:

"Employee" means a person employed by a public body whose relationship with the public body constitutes an employer-employee relationship under the usual common law rules, and who is not an independent contractor.

"Public office" means a position created by or under the Constitution or laws of this State, the occupant of which is charged with the exercise of some portion of the sovereign power of this State. The term "public office" shall include members of the public body, but it shall not include organizational positions filled by members thereof, whether established by law or by a public body itself, that exist to assist the body in the conduct of its business.

"Quasi-adjudicative body" means an administrative body charged by law or ordinance with the responsibility to conduct hearings, receive evidence or testimony and make determinations based thereon, but does not include local electoral boards when such bodies are considering petition challenges.

Sec. 7. Exemptions. (1) The following shall be exempt from inspection and copying:

(a) Information specifically prohibited from disclosure by federal or State law or rules and regulations adopted under federal or State law.

The disclosure of information that bears on the public duties of public employees and officials shall not be considered an invasion of personal privacy. Information exempted under this subsection (b) shall include but is not limited to:

(c) Records compiled by any public body for administrative enforcement proceedings and any law enforcement or correctional agency for law enforcement purposes or for internal matters of a public body, but only to the extent that disclosure would:

(i) interfere with pending or actually and reasonably contemplated law enforcement proceedings conducted by any law enforcement or correctional agency;

(iii) deprive a person of a fair trial or an impartial hearing;

(iv) unavoidably disclose the identity of a confidential source or confidential information furnished only by the confidential source;

(vi) constitute an invasion of personal privacy under subsection (b) of this Section;

(vii) endanger the life or physical safety of law enforcement personnel or any other person; or

(viii) obstruct an ongoing criminal investigation.

(d) Criminal history record information maintained by State or local criminal justice agencies,

except the following which shall be open for public inspection and copying:

AMENDMENT NO. 1. Amend House Bill 2493 by replacing everything after the enacting clause with the following:

"Section 5. The Public Construction Bond Act is amended by changing Section 2 as follows:

(30 ILCS 550/2) (from Ch. 29, par. 16)

Sec. 2. Every person furnishing material or performing labor, either as an individual or as a sub-contractor for any contractor, with the State, or a political subdivision thereof where bond or letter of credit shall be executed as provided in this Act, shall have the right to sue on such bond or letter of credit in the name of the State, or the political subdivision thereof entering into such contract, as the case may be, for his use and benefit, and in such suit the plaintiff shall file a copy of such bond or letter of credit, certified by the party or parties in whose charge such bond or letter of credit shall be, which copy shall, unless execution thereof be denied under oath, be prima facie evidence of the execution and delivery of the original; provided, however, that this Act shall not be taken to in any way make the State, or the political subdivision thereof entering into such contract, as the case may be, liable to such sub-contractor, materialman or laborer to any greater extent than it was liable under the law as it stood before the adoption of this Act. Provided, however, that any person having a claim for labor, and material as aforesaid shall have no such right of action unless he shall have filed a verified notice of said claim with the officer, board, bureau or department awarding the contract, within 180 days after the date of the last item of work or the

furnishing of the last item of materials, and shall have furnished a copy of such verified notice to the contractor within 10 days of the filing of the notice with the agency awarding the contract.

The claim shall be verified and shall contain (1) the name and address of the claimant; the business address of the claimant within this State and if the claimant shall be a foreign corporation having no place of business within the State, the notice shall state the principal place of business of said corporation and in the case of a partnership, the notice shall state the names and residences of each of the partners; (2) the name of the contractor for the government; (3) the name of the person, firm or corporation by whom the claimant was employed or to whom he or it furnished materials; (4) the amount of the claim; (5) a brief description of the public improvement sufficient for identification.

No defect in the notice herein provided for shall deprive the claimant of his right of action under this article unless it shall affirmatively appear that such defect has prejudiced the rights of an interested party asserting the same.

Provided, further, that no action shall be brought until the expiration of 120 days after the date of the last item of work or the furnishing of the last item of materials, except in cases where the final settlement between the officer, board, bureau or department of municipal corporation and the contractor shall have been made prior to the expiration of the 120 day period, in which case action may be taken immediately following such final settlement; nor shall any action of any kind be brought later than 6 months after the acceptance by the State or political subdivision thereof of the building project or work. Such action shall be brought only in the circuit court of this State in the judicial circuit in which the contract is to be performed.

The remedy provided in this Section is in addition to and independent of any other rights and remedies provided at law or in equity. A waiver of rights under the Mechanics Lien Act shall not constitute a waiver of rights under this Section unless specifically stated in the waiver. (Source: P.A. 86-333.)
